Love your computer again!

Do you miss the days when your computer was reliable and fast?
Do you wish your computer could be easy and convenient again?

Your computer, only better

With Ubuntu, your computer can be the solution for all of your computing needs—Internet, email, school, work, and play.

It's easy to try, free to use, works alongside or replaces Windows, and revitalizes your computer.

- Beautiful
- Secure
- Fast
- Stable

We'll help you install Ubuntu and answer any questions. Bring your computer and see the difference!

- Free Ubuntu 14.04 LTS install discs
- Android tablet giveaway
- Perfect solution for Windows XP

Open to the public and free of charge!
