北京站@BUPT

The image shows a promotional banner for the Ubuntu 11.04 Natty Narwhal release party. The left side features the Ubuntu logo, the version number '11.04', the codename 'Natty Narwhal', and a 'Release Party' button. The right side features a search bar with a magnifying glass icon, the text 'your ID', and the name 'oppih' in large bold letters. Below the search bar, the text '北京站@BUPT' is visible.
