Leadership

Technical Board

The Ubuntu Technical Board is responsible for the technical direction that Ubuntu takes.

Mark Shuttleworth

Mark Shuttleworth is the founder of Ubuntu and member of the Technical Board and Community Council.

Community Council

The Ubuntu Community Council is the primary community (i.e., non-technical) governance body for the Ubuntu project.

Arto Teräs, CC BY-SA 1.0, Debconf 2005

Ubuntu Code of Conduct

- Be considerate
- Be respectful
- Take responsibility for our words and our actions
- Be collaborative
- Value decisiveness, clarity and consensus
- Ask for help when unsure
- Step down considerately

Ubuntu Membership: Perks

- Voting privileges: Ubuntu Community Council
- An @ubuntu.com email alias
- An ubuntu/member/your_nick cloak on Libera.Chat
- The right to print business cards with the Ubuntu logo
- SFTP access to a Web-accessible directory on people.ubuntu.com
- Ubuntu Advantage for up to 50 systems for access to ESM
- A certificate signed by Mark Shuttleworth
- and a few things more ...

Locale Communities (LoCos)

- Find your local community
- Find local support
- Find local events

<https://loco.ubuntu.com/>

Contribute to Ubuntu

- Maintaining or programming
- Translation or documentation
- Ideas or new projects
- Promote or support
- File a bug or helping with tests
- And much more

Translation to Ubuntu

- A lot of translations are from Upstream
- Some are made by Launchpad

Ukrainian: 88.04% (38702/1501)

German: 87.02% (42003/51)

French: 81.50% (59869/7088)

Spanish: 80.85% (61965/4161)

Swedish: 77.45% (72949/905)

Bugmanagement

- File bugs
- Triage bugs
- Manage bugs
- Fix bugs

69040 New bugs

138196 Open bugs

1405 In-progress bugs

332 Critical bugs

5474 High importance bugs

365 Incomplete bugs (can expire)

Helping others with Ubuntu

- Join the Ubuntu support IRC channel: #ubuntu on irc.libera.chat
- Join the Ubuntu Forums
- Join the Ubuntu support mailing list
- Check the Launchpad Support Tracker for support requests
